

500 SERIES

Driver, Officer, and Crew Seats

H.O. Bostrom FireFighter™ introduces the revolutionary RiteHite™ and ABTS dual retractor seat belts, continuing the long tradition of providing seating safety, comfort, and performance to the global fire industry (See reverse for available features and models).

PRODUCT HIGHLIGHTS:

RiteHite™ Customized Seatbelt Fit – Allows firefighters to customize the fit of their seat belt to their size and proportions.

ABTS Dual Seatbelt Retractors – Provide more seat belt length and faster, stronger retraction to prevent snagging on equipment and damage to the belts from apparatus doors.
