PACIFICA

T-580 SUSPENSION

Tame the toughest terrain with T-580 suspension system. H.O. Bostrom's Pacifica Torsion-580 combines our rugged, mechanical suspension with our ergonomic upper seat to bring you the ultimate in operator comfort.

This unique torsion bar mechanical suspension seat provides the same smooth ride regardless of the driver's weight. Designed for long lasting service, this scissors suspension distributes the driver's weight to minimize wear and tear on load bearing components.

Available options:

- ◆ Low, mid or high back
- ◆ Fixed or reclining back
- ◆ Built-in or adjustable lumbar
- ◆ Cloth, vinyl, or Durawear™
- ◆ Optional custom corporate logo
- ◆ 6-way power adjuster
- ◆ 4-point seatbelt

ABOUT H.O. BOSTROM COMPANY, INC.

Since 1946, H.O. Bostrom Company Inc. has been supplying high quality seating products for a wide range of applications and markets. We still provide products and service requirements to many of our original customers. Our manufacturing facility was designed and built specifically for efficient manufacture of vehicle and equipment seating products. We offer complete design, engineering, fabrication, manufacturing and marketing of seating and seating related products. We ship products worldwide to a global customer base spanning over 65 countries.

H.O. Bostrom Company Inc. is a family owned and family managed company. We are certified to ISO 9001:2008 and are committed to continually evolving our processes and products. We continue to build on our basic principles and look forward to continued steady growth as we position our company for expansion into the markets we serve.
